XARAGU Guest Information Sheet

Please book your site in advance to avoid any disappointment !

Camp Xaragu – Damaraland re-opened !

On road C39 at T-junction towards Twyfelfontein, drive in north of road 1,6km to farm

At camp

“Bring and Braai” every evening for all Camping Guests at the Lapa Area. All our guests are invited to have their meat grilled at the Lapa Area to enjoy a relaxed atmosphere under thatched roof with tables / chairs provided in nice shade. Just bring your meat, your plates and cutlery !

Of course you can also book “Buffet dinner”.

Bar will open for refreshments.

Firewood can be bought at N\$30/pack. Please note - wood may not be collected on the camp ground/farm.

Fresh water is pumped daily from deep below – please do not waste. In our Ablution facilities with toilet & shower we appreciate that you make sure all taps are closed nicely after usage !

Thanks so much helping to save water

Each campsite

has an own shaded camping/parking area with a “braai plek” with grid, stone table incl. sink and water tap. One luxury family campsite provides own toilet/shower for sole use.

Tented Camp/Chalet

Double rooms in canvas tent style under shade net each with twin wooden beds, cupboard, chair, with shower/toilet in outside area, own grill as well as parking site.

We are working hard to be able to fit the camp with 220V during 2016.
